To Whom It May Concern,

I am writing to recommend Focused Staffing Group for their exceptional services in providing education personnel to Barack Obama Green Charter Schools. Since we started partnering with them this year, they have consistently demonstrated their commitment to excellence and professionalism.

Focused Staffing Group has consistently matched us with exceptional talent who have made a significant impact on our students' learning experience. They have an impressive network of highly qualified candidates. The quality of the candidates they have sourced for us has been nothing short of exceptional.

It is also worth mentioning that Focused Staffing Group takes the time to understand our school's culture, values, and educational philosophy, ensuring that the candidates they provide are not only qualified but also aligned with our school's mission and vision.

Should you require any further information or have any questions, please do not hesitate to contact me at erin.richardson@barackobamagcs.org.

Thank you for your attention, and I wish you the best of luck in your collaboration with Focused Staffing Group.

Sincerely,
