To Whom It May Concern,

I am pleased to recommend Focused Staffing Group for their work in providing educational personnel to Bridgeton Public Schools. Over the past year, they have demonstrated a consistent level of professionalism, reliability, and responsiveness in addressing our staffing needs.

During this time, Focused Staffing Group has presented several qualified educator candidates who have contributed positively to our instructional environment and student experience. Their efforts to identify candidates aligned with our needs have been both constructive and appreciated.

Additionally, Focused Staffing Group has shown a commitment to understanding the culture and values of our district, with attention given to recommending individuals who are not only qualified, but also suitable for our school community.

I recommend Focused Staffing Group without reservation. Should you require further information, please feel free to contact me. I appreciate the opportunity to work with Focused Staffing Group and wish you success in working with them.
