To whom it may concern.

I am writing to express my appreciation for the outstanding service provided by Focused Staffing Group since September 6, 2023. As CEO at Buttonwood Farms/Delta School, I have had the pleasure of working with Focused Staffing Group in providing special education teachers, paraprofessionals, personal care assistants, and related service providers for our school.

Focused Staffing Group has consistently provided us with high-quality special education teachers, paraprofessionals, personal care assistants, and related service providers who have demonstrated professionalism, expertise, and a genuine commitment to the education and well-being of our students. Their thorough screening process ensures that only the most qualified individuals are selected, giving us confidence in the special education teachers, paraprofessionals, personal care assistants, and related service providers they provide.

In addition to their excellent staffing services, Focused Staffing Group has also been responsive to our needs and quick to address any concerns or issues that arise. Their team is always available to assist us, making the entire process seamless and efficient.

Overall, Focused Staffing Group has been an invaluable partner in ensuring the continuity of education in our school. I would highly recommend Focused Staffing Group to any organization seeking reliable and skilled [positions special education teachers, paraprofessionals, personal care assistants, and related service providers.

Thank you once again for your exceptional service. We look forward to continuing our partnership with Focused Staffing Group.

Sincerely,

David Weathington, MSW, LSW, Ed. D
